PROFESSIONAL SUMMARY

Bachelor of Science in Information Technology graduate with hands-on experience in backend development through a software development internship. Skilled in designing, developing, and maintaining RESTful APIs and database-driven applications using Node.js, Express.js, TypeScript, TypeORM, MySQL, and PostgreSQL. Experienced working in Agile environments, collaborating with cross-functional teams, debugging production issues, and building scalable backend solutions. Eager to contribute as a Software Developer.

WORK EXPERIENCE

Backend Developer Intern

Indra Philippines | February
2026 – August 2026

- Developed and maintained RESTful APIs using Node.js, Express.js, TypeScript, and TypeORM for enterprise applications.
- Designed and implemented backend features following clean architecture and REST API best practices.
- Created and optimized SQL queries while managing MySQL database entities and relationships.
- Investigated, debugged, and resolved backend issues to improve application reliability and performance.
- Collaborated with frontend developers, QA engineers, project managers, and senior developers in an Agile environment.
- Assisted in implementing new features, enhancing existing modules, and maintaining technical documentation.
- Used Git, Bitbucket, Jira, YouTrack, and Apidog for version control, project management, API testing, and collaboration.
- Performed deployment and environment management using Linux commands across development, testing, and production servers, while assisting with deployment troubleshooting and production issues.

TECHNICAL SKILLS

Programming Languages: JavaScript, TypeScript, SQL, Java

Backend: Node.js, Express.js, RESTful APIs, TypeORM

Frontend: HTML5, CSS3

Databases: MySQL, PostgreSQL

Tools: Git, GitHub, Bitbucket, Jira, YouTrack, Apidog, Postman

Core Skills: API Development, Database Design, Debugging, Troubleshooting, Version Control, Agile Development, Problem Solving

EDUCATION

STI College Caloocan Campus

Bachelor of Science in Information Technology (Graduate)
2022 – 2026
